

Gale Business Insights: Essentials

BASIC SEARCH:

A basic Search bar is available on the home page and the upper right corner of all other pages at the site. Type in a company name, ticker symbol, industry, SIC or NAICS code, product, brand name or topic and click **Search**.

On the results page, you will find company or industry profiles listed first, followed by links to brands and/or articles related to your search term. Click on the company name to see the **company profile**. From the company profile page you can find specific types of information under **Related Content**.
